\* Attention TRS retirees (on or after January 1, 2001):

- o **"TRS HRS 0.50" column** – This number represents the **total** number of hours that a retiree can work **each** month without negatively impacting TRS annuity benefits. Refer to the *Teacher Retirement System Rules and Regulations*.
- o **"Center Hours Reported Per Cutoff for Attendance" column** – The top number represents the total number of half-time hours that fall into the Center's reporting period for that month. Because this number differs from the **"TRS H** column, **retirees must carefully monitor** their working hours each month to be certain that they are not exceeding the amount allowed under the *Teacher Retirement System Rules and Regulations*.

**Caution:** For retiree working half-time in 2009-2010, please note that this column demonstrates that during the months of October, January, April, and June, a retiree exceeds the total number of hours allowed to work each month (TRS HRS 0.50) by the amounts shown in the shaded area (Center Hours...). This would **negatively impact** TRS annuity benefits, unless work hours are reduced.

Reminder: As a retiree, **YOU** are responsible for monitoring hours allowed to work each month, in order that your retirement benefits are not negatively impacted (*Teacher Retirement System Rules and Regulations*).
