

# Your Profile

The Profile tab contains your personal information. Whenever there is a change in your personal or work information, please be sure to go to the Profile tab and update your information.

Central Registration suggests that you use lastname.firstname for your user name or something else easy to remember that does not contain punctuation marks ( , & ' / , etc.) Your user name is case sensitive, so to log in it must be entered in exactly the same manner that you used when setting up your account.

The information you provide will be used to track staff development for your transcript.

The screenshot shows the iLEARNING user profile page. At the top, the logo for iLEARNING is displayed, along with the text "EDUCATION SERVICE CENTER, REGION 20" and "YOUR LEARNING MANAGEMENT SYSTEM". Below the logo is a navigation bar with tabs for "User Information", "Transcripts", "Reports", "Requested Learning", and "Wish List". The "Profile" tab is highlighted. To the right of the navigation bar are links for "Admin", "Help", and "Logout". Below the navigation bar, the user's name "Jennifer Johnson" is displayed. The main content area contains a form for updating user information. The form includes fields for Username (JJOHNSON), First Name (Jane), Last Name (Doe), Email (jane.doe@sbcglobal.net), Nickname, Password, and Confirm Password. There is also a section for Password Challenge/Response with fields for "My dog's name?" and "Rover". Other fields include Preferred Language, Address Line 1 (1234), Address Line 2 (Elm Street), City (San Antonio), State (TX), Country (US), and Zip (78217). Three callout boxes are present: one pointing to the "Transcripts", "Reports", "Requested Learning", and "Wish List" tabs; one pointing to the "Profile" tab; and one pointing to the "Profile" link in the top right corner.

**Use these links to view your transcript, requested learning, and wish list, or to run reports.**

The Password Challenge/Response: Your Password Challenge will be presented to you when you request to have your password reset. Your password will only be reset when you respond with the correct Password Challenge Response. The intent of password challenge and response is to prevent others from resetting your password. The challenge should be something easy for you to remember, but, not widely known by others, for instance "What is your dog's name?" or "What is your mother's maiden name?".
