

2009-2010
Office of Safe and Drug-Free Schools and Communities
Professional Development

Our Purpose

The purpose of the Safe and Drug-Free Schools and Communities program is to prevent violence in and around school; prevent the illegal use of alcohol, tobacco and drugs; involve parents and communities; and coordinate with related Federal, State, school and community efforts and resources to foster a safe and drug-free learning environment. An expansion of services is dedicated to Law Enforcement in addressing critical issues relevant to all educational institutions and governmental agencies from the stand point of the law.

Certification

TCLEOSE hours will be provided for specific sessions, which can be viewed upon registration when logging onto iLearning. Additionally, attendance certificates will be available via iLearning one week after the course offering.

Registration

Session locations may vary. Details are available when registering on-line via iLearning, www.esc20.net/workshops. Please check the on-line catalog for scheduling changes and/or additional offerings. If you are a representative a district or charter school that is a member of the SDFSC Co-op (listing below), please enter "Title IV 09-10" into the purchase order subject line when registering.
